

FOR IMMEDIATE RELEASE

**Oxygen Education Now Part of California's
Eligible Training Provider List**

Indianapolis, Ind. – August 10, 2009 – Oxygen Education, LLC, a market leading developer of digital content for technical education and workforce development, is pleased to be a certified supplier of workforce training in the State of California and is now part of the state's Eligible Training Provider List (ETPL). The ETPL was established in compliance with the Workforce Investment Act (WIA) of 1998 to provide customer-focused employment training for adults and dislocated workers. ETPL lists training providers who are eligible to receive Individual Training Accounts (ITAs) through WIA Title I-B funds. One Stops and Workforce Investment Boards may now recommend Oxygen Education training courses for workers who need to attain in-demand job skills or upgrade their current skill set.

Oxygen Education's highly interactive and convenient e-learning solution will provide people in California a way to receive real life skills and useful knowledge for skill-based manufacturing and technological jobs. Oxygen Education provides a self-paced, competency-based, e-learning solution designed to meet workforce needs in the new millennium. Oxygen Education is a proud member of the CMTA and understands that workforce education must be on-demand, job-relevant, easily adaptable, and affordable.
